# Glossary - Price List 2024

## Call-Out Fee

Getting to the pick-up address is usually free, this applies to a radius of 5km from the city center. For this purpose, we have chosen the main station as the basis for assessment. For each additional kilometer to the pick-up address, we charge the standard km prices, except for round trips. There is no call-out fee.

## Onboard Courier

With this service, we charge all costs incurred (hotel, return flight, taxi, public transport, customs fees, etc.), as well as our service fee.
